

Safeguarding Statement

Holy Family Catholic Multi Academy Trust (HFCMAT) is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Each school within the Trust has a separate Child Protection & Safeguarding Policy which can be found on the individual school's website.

HFCMAT is a safe place for children and young people, where our responsibilities for safeguarding children and young people and responding to child protection concerns are taken seriously. All staff are trained to the required level as per KCSiE 2021.

The RSHE curriculum in each school reflects current best practice relating to the statutory Relationships, Sex and Health Education guidance. Due to Covid-19, mandatory delivery has been extended so it will be taught in full in each HFCMAT school by the Summer term 2021. Lessons are taught at an age and need appropriate level and include opportunities to discuss feelings and emotions alongside where support can be accessed. RSE will be delivered in fidelity to, and in accordance with, the teaching of the Church.

All staff have an awareness of mental health problems as an indicator of abuse, neglect or exploitation. The staff can identify behaviour suggestion of a mental health problem or a risk of developing one.

There is a strong anti-bullying ethos evident throughout our schools. Children and young people are taught how to recognise bullying, how to keep themselves safe from bullying behaviour and how to report it. We listen to our children and young people.

Each school has appropriate IT filters in place to prevent pupils accessing inappropriate materials.

Our policies and agreed practices all comply with the recommendations for safeguarding children. We have a trained designated safeguarding lead and deputy, and a designated governor with responsibility for safeguarding, at each school.

Our staff recruitment policies and practices are rigorous and comply with safe recruitment and selection requirements. This includes pursuing identity checks and qualification checks, gaining and scrutinising written references before confirming employment. Prior to employment starting we require clearance from the Disclosure and Barring Service (DBS), in addition to List 99 checks.

All adults in school undertaking regulated activity including voluntary helpers, supply teachers, ITT Associate Teachers, agency staff, and outside club and coaching staff are required to provide evidence of DBS clearance.

The Local Governing Bodies are regularly updated about child protection, bullying and safeguarding policies and practices (See review cycle).

It is the responsibility of every adult in our schools to ensure that we maintain the highest level of awareness about possible unsafe practices and deal with any issues immediately and appropriately.

Should there be an allegation regarding inappropriate conduct which could pose a risk to a CYP, there will be no hesitation in contacting the LADO and it is understood that there is a legal duty to refer to the DBS in specific circumstances.

Policies are in place to manage potential allegations against staff, whistleblowing and the use of physical intervention. A list of the policies and procedures which support this statement include:

- Child Protection & Safeguarding Policy
